

Résumé

Dr. Mohamad Toufik Younes
Assistant Professor, Aleppo University &
Syrian Private University
inter_rel@tishreen.shern.net
00963-933647171

EDUCATION:

- 1990** Ph.D. with Honor, in Structural geology University of Eotvos Lorand for Science, Budapest, Hungary.
1981 B.Sc. in Applied geology, Faculty of Science, Damascus University.

AWARDS, HONORS, DISCOVERIES & CONTRIBUTIONS:

EMPLOYMENT EXPERIENCE:

- 2009 to date Professor at the Syrian Private University.
2010-2012 Dean of the Petroleum Engineering Faculty, Syrian Private University.
2005 to date Assistant Professor, Aleppo University.

RELEVANT PROFESSIONAL EXPERIENCE:

Post-graduate thesis supervision

- 2012 Jury member of a Ph.D. thesis in geology, Damascus University.
2010 Jury member of a Ph.D. thesis in geology, Aleppo University.
2001 Jury member of a Ph.D. thesis in geology, Nancy University.
1993-2015 Supervising of M.Sc. Thesis in geology, Damascus, Aleppo and Tishreen Universities.

Scientific Activities and Administrative Positions: leadership of the following scientific field camps:

- 2009 The Quality & Interdependence Committee Member, Faculty of Science, Tishreen University.
2004 The Seventh Mandatory Geological Camp for the 3rd Geological Sciences Students, - Tishreen University.
2000 The Fifth Mandatory Geological Camp for the 3rd Geological Sciences Students, Aleppo University.
1999 The Fourth Mandatory Geological Camp for the 3rd Geological Sciences Students, Aleppo University.
1996 The Third Mandatory Geological Camp for the 3rd Geological Sciences Students, Aleppo University.
1994 The First Mandatory Ecological Camp for 3rd Natural Science, Students, Aleppo University
1994 The First Mandatory Geological Camp for the 3rd Geological Sciences Students, Aleppo University.

COMMITTEE MEMBERSHIP

- The Broad of Directors in Vocational Geological Work Unit, Tishreen University.
- The Association of Hungarian Institutions And Universities Graduates.

- The Broad of Directors, The Syrian Geological Scientific Assembly, editor of the Geological Sciences Magazine.

PUBLICATIONS, & CONTRIBUTIONS:

1. Books:

Scientific

- 2005 Structural geology (1) Tishreen University (co-author), University Book.
 2008 Structural geology (2) Tishreen University.
 1998 Structural geology (1), University Book.

Others

- 2016 (MAKMAT).
 2009 Alphabetization of Body (ABJADEAT – AL-JASAD), Poetry.
 2004 Approaches (MOKARAPAT), Poetry.
 2000 Cases (HALAT), Poetry.
 1998 Apocalyptic Travel (SEFER AL- SAFAR), Poetry.
 1995 Entity & Universe (KYAN& KOAN), Poetry.
 1983 Reema & other stories.

2. Publications

- 2010 Stratigraphy, Petrology and Sedimentology of Cretaceous formations in Alhaffa area, (Coastal chain - Northwest of Syria), Journal of Damascus University for Basic Sciences (Approval for publishing on 27/09/2010).
 2004 Studying the Cracks in northwest of Syria (Afrin area), Journal of researches of Aleppo University, issue no. 44
 1994 Study of the Nature of Modern Cracks & Sliding, March 1992 in Al-Annazah area (Banias), Journal of researches of Aleppo University, , (Dr. Younes & the group).

CONFERENCE PAPERS:

- 2009 The second geological conference, Damascus.
 2009 Symposiums on evaluating the danger of earthquake in Syria and the neighboring countries
 2006 The first geological conference, Damascus.
 2007 Geological workshop in cooperation with the general organization of Geology and Syrian geological Society and the national institute for earthquake, Homs.
 2004 Remote sensing and its applications, general organization of remote sensing, Damascus. Damascus.
 1993 Symposiums about earthquakes, Aleppo University.

PUBLIC LECTURES:

Public Lectures & Symposiums: Participance in many Confluences, Symposiums, Lectures and literary evenings in Aleppo, Tartous, Lattakia, Homs and As-Suwayda Cultural Centers; Aleppo University, Tishreen University, Al Baath University and Damascus University.

- 2000 Preparing and presentation of the first Symposium of the opening Intellectual Dialogue in Aleppo University of the year.
 1997- 1998 General lectures in Earthquake & its impacts, Cultural Centers, Tartous.

COURSES ATTENDED

2008-2009 Computer skills: ICDL, (very good).

2004 Advanced English course, languages institute, Tishreen University.

LANGUAGES:

Arabic: Mother tongue,

Proficiency of Foreign Languages: English (very good), Hungarian (very good).

MEMBERSHIPS:

- Syrian Geological Society.
- Teachers syndicate (Chairman of the first Syndicalism department) Aleppo University 1998-2001.
- Arab writers Union- (poetry association)- a member of Arab writers council (9th session)

Updated : June 2018
