EDUCATION:

1975 B.Sc. Applied Geology, Damascus university.
1984 Post Graduated Diploma in applied Geology Survey by photo interpretation, International Institute for Aerial survey and earth sciences (ITC) Enschede, The Netherlands.

AWARDS, HONORS, DISCOVERIES & CONTRIBUTIONS:

None.

EMPLOYMENT EXPERIENCE:

2011 to date Technical staff, Syrian Private University, Faculty of Petroleum Engineering.
Senior exploration and development geologist:
2005-2011 Head of Section, Development Department, HPC, INA and SPC.
1994-2005 Head of the central SPC Labs, SPC
1992-1994 Exploration Geologist, SPC.
1989-1992 Exploration Geologist, Geological & Stratigraphical Survey Marathon, Syria
1986-1989 Regional Geologist for Exploration Directorate, SPC.
1984-1986 Supervisor for exploration and Development Gas fields, (Bulgar. Geomen Company).
1975-1983 Operation geologist at Jebissa oil Fields, SPC.

RELEVANT PROFESSIONAL EXPERIENCE:

None.

COMMITTEE MEMBERSHIP

Participating in many internal and external committees in the UAE, Iraq and Egypt.

PUBLICATIONS & CONTRIBUTIONS:

Books:

None.

Publications

Studies and scientific papers :

1. Participation in exploration studies for hydrocarbon Exploration.
2. Participations in surface geological studies with Professor Trevan of participations in satellite image interpretation of Syrian territory for neotectonic purposes.
3. Regional Stratigraphic studies of Paleozoic sediments in Syria for Hydrocarbon exploration.
4. Participation in Geochemistry studies.
5. Supervised all Laboratories studies.

6. Time –Temperature index Arenous (TTI) for evaluation of Organic matter, maturity of Mesozoic formations at central and the eastern part of Aleppo uplift, Dr. Amer Gabbra and Geo. Hasan Ayed).

CONFERENCES ATTENDED:

- 2007 The Energy Conference Exhibition, presenting a paper entitled “Upper Paleozoic deposits in Palmyrieds, Syria”,(Greece).
- 2005 The First International Conference On The Geology Of The Tethys, presenting a paper entitled “Geological analyses in the Sedimentary Basins in Syria”, (Cairo).
- 2005 The 3rd International Oil and Gas Conference, presenting a paper entitled: “Lower Paleozoic Deposits in Syria and hydrocarbon potential”, (Croatia).
- 1992 Participation in EGPC 11, Petroleum exploration and Production Conference, presenting a paper entitled (Stratigraphy as a tool for hydrocarbon Exploration), (Cairo)
- 1999(OAPEC –IFB) Conference, presenting a paper entitled: “the Sedimentary Basins in Syria”, (Paris).
- 1991 the First international Geological conference of the Arab world, (Cairo).
- .
- 2002, the Sixth International Conference of the Arab world, presenting a paper entitled: “Evaluation of Hydrocarbon Potential of sedimentary Basins in Syria", (Cairo).

COURSES ATTENDED:

- 1989 Course in Exploration Stratigraphy, (Singapore).
- 1993 Course in Seismic Stratigraphy, (IHRDC – Syria).
- 1996 Course in Petrography & Fracture Analysis, (IHRDC –Syria).
- 1996 Course in Organizing and simplifying the Procedures, (Syria).
- 1998 Course in Reservoir Evaluation for Geology, (Egypt).
- 1999 Course in Integrated Stratigraphic interpretation for (IHRDC –Syria), Finding and defining Hydrocarbon Reservoirs.
- 2000 Course in administrative information system, (Egypt).
- 2000 Carbonate work shop, (Shell-Syria).
- 2000 Structural Geological Seminar Gab Graben –Syria, (Shell-Syria).
- 2003 Workshop about the Reservoir Evaluation Wireline group, (Shlumberger-Egypt).
- 2003 Course in Specific Analysis of the Cylinder Samples & Results Manipulation, (Tristar Middle East).
- 2004 Course in Logs Interpretation, (Shlumberger- Egypt).
- 2005 Course in Basin Analysis, (INTEX –Egypt).
- 2006 Course In Reservoir Management, (Tristar Middle Esat, Syria).
- 2006 Course In Structure Geology for Exploration& Development, (Tristar Middle East).
- 2007 Course In Prospect & Play analysis, (INTEX –Egypt).
- 2009 Workshop in Exploration, Production of hydrocarbon, (Zagreb University).
- 2010 Reserves from Unconventional Deposits, (Damascus, Syria).
