

Résumé
(Souad Abboud)
(Address: Mazzeh, Queen Center)
Damascus – S.Y.R
drsouadabboud@gmail.com

BIODATA:

Ph.D. in operative dentistry , Damascus university , Associate Professor, Damascus University, Faculty of Dentistry, Department of Operative Dentistry 2013 till present. Supervising Undergraduate Students, MSc students, Seminars and tutorials to Endodontic and restorative MSc & Master of Aesthetic Dentistry, (Operative Dentistry Courses).She has many Researches in Peer-reviewed Journals, the most important researches „Clinical evaluation of class II composite: Resin restorations placed by two different bulk-fill techniques” in “Journal of Orofacial Sciences, 2016” and “Clinical and Radiological Evaluation of Theracal LC in Direct Pulp Capping” in “Damascus University Journal for Medical Sciences,2017 ”.

EDUCATION:

2003: PHD. In operative Dentistry, Damascus University, Syria, honor degree.

2000: MS.C in operative dentistry, Damascus University, Syria, excellent degree.

1998: Diploma in Endodontic & Operative Dentistry, Damascus University, Syria, very good degree.

1993: D.D.S Damascus University, Syria, very good degree.

HONORS AND AWARDS:

- 2018 Certificate of appreciation in the Aesthetic & Operative courses- Damascus University.
- 2017 certificate of appreciation in the 3rd scientific Meeting on Dental Implant & Cosmetic Dentistry, Damascus.
- 2016 Certificate of appreciation in the 18th International Scientific Conference, Syrian Dental Association.
- 2016 Certificate of appreciation in the 2nd scientific Meeting on Dental Implant & Cosmetic Dentistry, Damascus.
- 2016 Certificate of appreciation in the 1st Scientific Conference in Private International ALwadi University.

EMPLOYMENT EXPERIENCE:

- 2016-Present: Assistant Professor in the Faculty of Dentistry at the Syrian Private University.
- 2013-Present: Associate Professor, Damascus University, Faculty of Dentistry, Department of Operative Dentistry.
- 2004-2013: (Assistant Professor) Academic staff member at Damascus University, Faculty of Dentistry, Department of Operative Dentistry.
- 2006-2007: lecturer in Riyadh College of Dentistry & pharmacy, kingdom of Saudi Arabia (Dental Anatomy & Occlusion Course, Operative Dentistry Course).
- 1995-2003: Supervisor in Damascus University, faculty of dentistry, 2nd & 3rd year (laboratory training), 4th & 5th year (clinical training).

RELEVANT PROFESSIONAL EXPERIENCE:

- Course Director of 4th & 5th years (Operative Dentistry Courses) for Undergraduate Students, Faculty of Dentistry, Damascus University.
- Lecturer & Supervising Undergraduate Students (2nd & 3rd, Operative Dentistry Courses), Faculty of Dentistry, Damascus University.
- Lecturer & Supervising Undergraduate Students (Laboratory & Clinical Training), Faculty of Dentistry, International University for Science & Technology, 2008-2009.
- Lecturer & Supervising Undergraduate Students (Laboratory & Clinical Training), Faculty of Dentistry, Syrian Private University, 2016 till present.
- Lecturer, supervising MSc students, Seminars and tutorials to Endodontic and restorative MSc, (Operative Dentistry Courses), Faculty of Dentistry, Damascus University.
- Lecturer, supervising MSc students, Seminars and tutorials, Master of Aesthetic Dentistry, (Operative Dentistry Courses), Faculty of Dentistry, Damascus University.
- Lecturer in many courses which done for Dentists, in Faculty of Dentistry, Damascus University.
- Lectured in many Syrian Dental and Scientific Meetings.

COMMITTEE MEMBERSHIP:

- Academic staff member at Damascus University, Faculty of Dentistry, Department of Operative Dentistry.
- 2016- 2017: Committee member of 8th & 9th Syrian Dental Student Research Award Competition.
- 2001: Three months scientific visit to the University of Manchester U.K.

PUBLICATIONS, TRANSLATIONS & CONTRIBUTIONS:**Books:**

- 2017: Operative Dentistry -4, for Undergraduate Students 5th year, Faculty of Dentistry, Damascus University.
- 2017: Operative Dentistry, Clinical Part, Syrian Private University.
- 2016: Operative Dentistry -3, for Undergraduate Students 4th year, Faculty of Dentistry, Damascus University.

Articles:

- 2017, Damascus University Journal for Medical Sciences: Coronal Staining Potential of "ERRMF" , "Biodentine "and "WMTA" Used for Direct Pulp Capping.
- 2017, Journal of AL Baath University: Clinical Evaluation of Post-operative Sensitivity in Composite Restorations by using Eighth Generation of Bonding Agents.
- 2017, Damascus University Journal for Medical Sciences: Clinical and Radiological Evaluation of Theracal LC in Direct Pulp Capping.
- 2016: Alkurdi MK, Abboud SA. Clinical evaluation of class II composite: Resin restorations placed by two different bulk-fill techniques. Journal of Orofacial Sciences. 2016;8:34-9.

- 2016: Aldakak MMN, Capar ID, Rekab MS, Abboud S. Use of Biodentine in Single-visit Revascularization of a Nonvital Immature Permanent Tooth: A case Report. Iranian Endodontic Journal. 2016;11 (3): 246-249.
- 2016, Damascus University Journal for Medical Sciences: Effect of Different Light-Curing Units on Microhardness and Curing Depth of Bulk-Fill Composite Materials.
- 2016, Damascus University Journal for Medical Sciences: Evaluation of Microleakage in Class II Bulk-fill Resin Composite Restorations.
- 2013, Damascus University Journal for Medical Sciences: A comparative Study of Some Mechanical Properties of Silorane-based & Methacrylate-based Composites.
- 2012, Damascus University Journal for Medical Sciences: A comparative Study of Flexural Strength & Abrasion Resistance of Silorane-based & Methacrylate-based Composites

CONFERENCE PAPERS:

- 2018 “Direct Veneers” & “Endodontically Treated Teeth” in the Aesthetic & Operative courses- Damascus University.
- 2017 “How Dental Bonding Can Help the Smile! “In the 3rd scientific Meeting on Dental Implant & Cosmetic Dentistry, Damascus.
- 2016 “Post-Operative Sensitivity and Composite Restorations” in the 18th International Scientific Conference, Syrian Dental Association.
- 2016 “Direct Veneers” in the 2nd scientific Meeting on Dental Implant & Cosmetic Dentistry, Damascus.
- 2016 “Direct Veneers” in the 1st Scientific Conference in Private International ALwadi University.
